(Note: the Maxxum 3 / Maxxum 50 columns show a single "No" spanning the flash function rows.)

Not Recommended - The flash can be attached by using the Konica Minolta FS-1100 Flash Shoe Adapter. However, the Auto Focus illuminator is not available and overexposure is likely to occur due to incompatibility with the flash metering system.

*1 - It is available with Flash Shoe Adapter FS-1100 (Konica Minolta made).
