About “Music Unlimited”

“Music Unlimited” is a new online music subscription service, brought to you by Sony. “Music Unlimited” offers instant access to over 7 million new releases and all-time favourites, for playback on your “WALKMAN.”

To use the “Music Unlimited” function on your “WALKMAN,” you need to:

– Update your “WALKMAN” to the latest firmware. For details about firmware update, visit the following web site. http://www.bestbuy.com/digitalmusic
– Install the “Music Unlimited Transfer” application into your computer.
– Transfer songs via the “Music Unlimited Transfer” application.
– Purchase the service plan (Basic/Premium).

When your “WALKMAN” is updated to the latest firmware, the “Music Unlimited” icon is displayed on the Home menu.

“Music Unlimited” provides you with two modes of operation: “Channels” and “My Library.”

• “Channels” (page 4)
You can enjoy a variety of music channels, categorized by genre, SensMe™, era, etc. compiled from millions of tracks, and personalized to your taste.
– Automatically personalize channels by syncing songs using the Music Sync application.
– Personalize channels with the Like/Dislike function. (Like/Dislike info will be synced to channels next time sync with the Music Unlimited Transfer application.)
Premium subscribers can enjoy full access to Premium channels, including Global Top 100, etc.

• “My Library” (page 7)
Basic: You can add your existing song collection to your “Music Unlimited” library on the “Music Unlimited” cloud-based system, and access the collection at any time across a variety of Internet-connected devices.
Premium: In addition to the Basic features, you can access a multi-million song database, to add your favourite songs at any time.

Note
• When using “Music Unlimited,” only English will be displayed on the screen if you set [Language Settings] to other than [Deutsch], [Español], [Français], or [Italiano].

   The [My Library] screen appears.

4. Select the desired search method, select the desired items until a song list appears, then select a desired song.
   Displayed items and playback operations are the same as 🎵 [Music]. For details on operations refer to “WALKMAN User Guide.”

Note

- For playback of songs in “My Library,” you can use various functions during song playback in 🎵 [Music], except for the following:
  - Adding a song to a bookmark list
  - Displaying lyrics
  - Karaoke function
  - Language study function
  - DPC (Speed Control) function
  - Setting a song for the alarm sound
- If ⚡️ appears and the channel cannot be played back, the channel may contain transfer errors. Connect your “WALKMAN” to your computer and use Music Sync to sync again.
About the “Music Unlimited” licence

You can enjoy “Music Unlimited” by purchasing the “Music Unlimited” licence (Basic or Premium) on your computer. The “Music Unlimited” licence has an expiry date depending on your contract. This chapter will explain about the licence when enjoying “Music Unlimited” on your “WALKMAN.”

Expiry date of your “WALKMAN”

The expiry date for using the “Music Unlimited” function on your “WALKMAN” depends on your plan (Basic or Premium). (This is just the expiry date for using the “Music Unlimited” function on your “WALKMAN,” which is different from the “Music Unlimited” licence on your computer.) Before expiry, you will need to connect your “WALKMAN” to your computer and access the server to update the licence. (As the expiry date nears, an alert message will be displayed, alerting you to update the licence.) If the licence is expired, you cannot use the “Music Unlimited” function. In this case, connect your “WALKMAN” to your computer and access the server to update the licence.

Note

If the licence expires while listening to a song on “Music Unlimited,” an alert message appears and your “WALKMAN” returns to the Home menu automatically when the current song playback is finished, then the “Music Unlimited” function will not be available.

Expiration date of the “Music Unlimited” licence on your computer

When the “Music Unlimited” licence on your computer expires all contents of “Music Unlimited” on your “WALKMAN” are deleted, and the “Music Unlimited” function cannot be used when connecting your “WALKMAN” to your computer. (As the expiry date nears, an alert message will be displayed.)

When you reset your “WALKMAN”

The licence on your “WALKMAN” will not be deleted if you perform [Reset All Settings]. The licence on your “WALKMAN” will be deleted if you perform [Format]. In this case, connect your “WALKMAN” to your computer and transfer the “Music Unlimited” contents to your “WALKMAN.”
