

**Safety &
Regulations Guide**

Read this guide before using your CLIÉ handheld.

Personal Entertainment Organizer

PEG-UX50

PEG-UX40

CLIÉ™

© 2003 Sony Corporation

<http://www.sony.net/>

Printed in Japan

Printed on 100% recycled paper using
VOC (Volatile Organic Compound)-
free vegetable oil based ink.

WARNING

- In some situations or environments, the use of the Bluetooth® technology or the IEEE 802.11b technology (for PEG-UX50 only) might be restricted by the proprietor of the building or responsible representatives of the organization, for example on board of airplanes, in hospitals or in any other environment where the risk of interference with other devices or services is perceived or identified as harmful.
- If you are uncertain about the policy applying to the use of the Bluetooth® technology or the IEEE 802.11b technology (for PEG-UX50 only) in a specific organization or environment, you are encouraged to first ask for authorization prior to switching it on.
- Consult your physician or the manufacturer of personal medical devices (pacemakers, hearing aids, etc.) regarding any restrictions on the use of the Bluetooth® technology or the IEEE 802.11b technology (for PEG-UX50 only).
- The Bluetooth® technology or the IEEE 802.11b technology (for PEG-UX50 only) equipped with CLIE handheld is valid only in those countries where CLIE handhelds are sold.
- To disable the Bluetooth® function completely: Select [Disabled] next to [Bluetooth:] in [Bluetooth] of the Preferences screen. For details, refer to "Customizing your CLIE™ handheld (Preferences): Setting the Bluetooth® function" in the supplied "Handbook".
- To disable the wireless LAN function (for PEG-UX50 only):
Turn off your CLIE handheld.

Safety and Regulations

WARNING

To prevent fire or shock hazard, do not expose the unit to rain or moisture. To avoid electrical shock, do not open the cabinet. Refer servicing to qualified personnel only.

WARNING

Battery may explode if mistreated. Do not disassemble or dispose of in fire. The socket-outlet shall be installed near the equipment and shall be easily accessible.

CAUTION

You are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment and void your limited warranty.

For customers in the U.S.A. and Canada

Owner's Record

The model number and serial number are located on the back of the product. Record the model number and the serial number in the space provided below. Refer to them whenever you call upon your Sony dealer regarding this product.

Model No. _____

Serial No. _____

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

If you have a question about this product, call the Sony Customer Information Center at 1-877-760-7669;

or write to the Sony Customer Information Center at 12451 Gateway Boulevard, Fort Myers, FL 33913.

The following number is for FCC-related matters only.

Declaration of Conformity

Trade Name: SONY

Model No.: PEG-UX50/U

PEG-UX40/U

Responsible Party: Sony Electronics Inc.

Address: 680 Kinderkamack Road, Oradell, NJ 07649 USA

Telephone No.: 201-930-6972

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

The supplied interface cable must be used with the equipment in order to comply with the limits for a digital device pursuant to Subpart B of Part 15 of FCC Rules.

RECYCLING LITHIUM-ION BATTERIES

Lithium-Ion batteries are recyclable.

You can help preserve our environment by returning your used rechargeable batteries to the collection and recycling location nearest you.

For more information regarding recycling of rechargeable batteries, call toll free 1-800-822-8837, or visit

<http://www.rbr.org/>

Caution: Do not handle damaged or leaking lithium-ion batteries.

For details on the battery, refer to "Notes on use: Battery considerations" in the supplied "Read This First."

Radio-Frequency Exposure Statement

Users are not permitted to make changes or modify the system in any way.

The term "IC:" before the radio certification number only signifies that the Industry Canada technical specifications were met.

Le terme «IC:» avant le numéro d'homologation ne signifie seulement que les normes d'Industrie Canada ont été respectées.

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

L'utilisation de ce dispositif est autorisée seulement aux conditions suivantes: (1) il ne doit pas produire de brouillage et (2) l'utilisateur du dispositif doit être prêt à accepter tout brouillage radioélectrique reçu, même si ce brouillage est susceptible de compromettre le fonctionnement du dispositif.

To prevent radio interference to the licensed service, this device is intended to be operated indoors and away from windows to provide maximum shielding. Equipment (or its transmit antenna) that is installed outdoors is subject to licensing.

Pour empêcher que cet appareil cause du brouillage au service faisant l'objet d'une licence, il doit être utilisé à l'intérieur et devrait être placé loin des fenêtres afin de fournir un écran de blindage maximal. Si le matériel (ou son antenne d'émission) est installé à l'extérieur, il doit faire l'objet d'une licence.

IMPORTANT NOTICE:

This equipment generates and radiates radio-frequency energy. In order to comply with FCC radio-frequency radiation exposure guidelines for an uncontrolled environment, this equipment has to be installed and operated while maintaining a minimum body to antenna distance of 1.0 cm. Based on continuous exposure of 30 minutes.

The installer of this radio equipment must ensure that the antenna is located or pointed such that it does not emit RF field in excess of Health Canada limits for the general population; consult Safety Code 6, obtainable from Health Canada's website: www.hc-sc.gc.ca/rpb

L'installateur du présent matériel radio doit s'assurer que l'antenne est située ou pointée de manière à ce que cette dernière n'émette pas de champs radioélectriques supérieurs aux limites spécifiées par Santé Canada pour le grand public; consulter le Code de sécurité 6, disponible sur le site Web de Santé Canada, à l'adresse suivante: www.hc-sc.gc.ca/rpb
