

Using with Battery

Using with Rechargeable Battery

Use only the supplied battery charger. Otherwise, the battery will be damaged. The supplied rechargeable battery can be recharged approx. 300 times. Charge the battery for approx. 4 hours before use. Approx. 2 hours of playback can be expected.

Notes

- The CHARGE indicator lights as long as the charger is plugged in.
- Unplug the battery charger from the wall outlet after the battery is charged for approximately 4 hours. Over charging for more than 20 hours may damage the battery.

Precautions

Notes on battery

- Remove the battery when you will not use the unit for a long time to prevent damage from battery leakage and corrosion.
- The internal battery is disconnected when you plug a cord into DC IN 1.5 V.
- When the sound becomes unstable, try a new battery.

External power sources

- The following external power sources can be connected through the DC IN 1.5 V jack.
- House current using an AC-DIM AC power adaptor
 - 12 V car battery using a DCC-70 car battery cord
 - Two size D (R20) batteries using an EBP-5000 battery case
- The illustration shows the polarity of DC IN 1.5 V jack. Use only a power cord having the same polarity.

Handling your Walkman

- Avoid exposure to temperature extremes, direct sunlight, moisture, sand, dust, or mechanical shock. Never leave in a car parked in the sun.
- You should run the unit for a few minutes before inserting a cassette if it has not been used for a long time.
- We do not recommend the use of cassettes longer than 90 minutes.

Tips on headphone listening

- Do not listen with headphones while driving, cycling, etc.
- Listen at a moderate volume to avoid damaging your ears and to avoid disturbing those close to you.

Maintenance

- Prolonged use may contaminate the tape head. If the sound becomes noisy or distorted, clean the head and tape path shown below with alcohol.
- Clean your headphone plug periodically for optimum sound.
- Do not use alcohol, benzene, or thinner to clean the case.

If you have any question or problem concerning your unit, please consult your nearest Sony dealer.
