

Sony Electronics Inc. Limited Warranty for VAIO Products Summary

Sony Electronics Inc. provides the following limited warranty terms for Sony VAIO® products sold in the U.S. and Canada. Please note that this information is only a summary. Certain VAIO Configure to Order (CTO) and legacy model warranties may vary. The Limited Warranty card that came with your product contains your full applicable terms and conditions.

- **New Product (A Stock) Limited Warranty**

This Limited Warranty applies to VAIO® products that are brand new.

- One year hardware parts/labor support from the date of purchase.
- Refer to the End User License Agreement that came with the product for information about software support for your product.

- **Refurbished Product (B Stock) Limited Warranty**

This Limited Warranty applies to VAIO® products that are refurbished. "Refurbished" means a product or part that has been returned to its original specifications. Please note that if your product is Refurbished, it will be clearly marked as such.

- 90 days hardware parts/labor support from the date of purchase.
- Refer to the End User License Agreement that came with the product for information about software support for your product.

- **Accessory Limited Warranty**

This limited warranty applies to VAIO® accessory products only.

- One year hardware parts/labor support from the date of purchase.
- Refer to the End User License Agreement that came with the product for information about software support for your product.
