

**Notice Regarding the Setting of Parameters for Repurchase of Shares of Common Stock
(Repurchase of Shares Under the Provision of Sony's Articles of Incorporation Pursuant to
Article 459, Paragraph 1 of the Companies Act)**

Sony Group Corporation ("Sony") approved, at the meeting of its Board of Directors held today, the setting of parameters for repurchase of shares of its own common stock pursuant to Article 459, Paragraph 1 of the Companies Act of Japan and Article 34 of Sony's Articles of Incorporation, as follows.

1. Reason for Setting Parameters

The following parameters have been set for the purpose of enabling Sony to flexibly repurchase its own shares in consideration of factors such as opportunities for strategic investment, Sony's financial condition and the price of its common stock as part of improving capital efficiency and implementing capital policy according to the business environment.

In addition, Sony plans to curb dilution of its shares by repurchasing shares to offset share issuances in connection with Sony's restricted stock and stock option compensation plans.
