### Notice of Revision of Planned Year-End Dividend For the Fiscal Year Ending March 31, 2009

Sony Corporation (the “Company”) has revised its planned year-end dividend for the fiscal year ending March 31, 2009.

#### I. The reason for the revision

On January 22, 2009, the Company announced a downward revision of the Company’s consolidated results forecast for the fiscal year ending March 31, 2009, in light of the deterioration of the global business environment. As a result, the Company has decided to reduce the planned amount of the year-end dividend for the fiscal year ending March 31, 2009 to ¥12.5 per share, the same amount paid in the previous fiscal year, from ¥20 per share, the originally planned amount.

The year-end dividend is scheduled to be finally determined by the Board of Directors in May 2009 and is scheduled to be paid in June 2009 subject to such determination.

#### II. Details of revision

	The amount of dividend per share		
	Interim dividend	Year-end dividend	Annual dividend
Originally planned amount	¥30.00 (actual) *	¥20.00	¥50.00
<b>Revised planned amount</b>	¥30.00 (actual) *	<b>¥12.50</b>	<b>¥42.50</b>

Note: \*includes a special cash dividend of ¥10.

Amount paid in the previous fiscal year ended March 31, 2008 (actual)	¥12.50	¥12.50	¥25.00
---	--------	--------	--------

#### Cautionary Statement

Statements made in this release with respect to Sony’s current plans, estimates, strategies and beliefs and other statements that are not historical facts are forward-looking statements about the future performance of Sony. Forward-looking statements include, but are not limited to, those statements using words such as “believe,” “expect,” “plans,” “strategy,” “prospects,” “forecast,” “estimate,” “project,” “anticipate,” “aim,” “may” or “might” and words of similar meaning in connection with a discussion of future operations,

financial performance, events or conditions. From time to time, oral or written forward-looking statements may also be included in other materials released to the public. These statements are based on management's assumptions and beliefs in light of the information currently available to it. Sony cautions you that a number of important risks and uncertainties could cause actual results to differ materially from those discussed in the forward-looking statements, and therefore you should not place undue reliance on them. You also should not rely on any obligation of Sony to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Sony disclaims any such obligation. Risks and uncertainties that might affect Sony include, but are not limited to (i) the global economic environment in which Sony operates, as well as the economic conditions in Sony's markets, particularly levels of consumer spending as well as the recent worldwide crisis in the financial markets and housing sectors; (ii) exchange rates, particularly between the yen and the U.S. dollar, the euro and other currencies in which Sony makes significant sales or in which Sony's assets and liabilities are denominated; (iii) Sony's ability to continue to design and develop and win acceptance of, as well as achieve sufficient cost reductions for, its products and services, including newly introduced platforms within the Game segment, which are offered in highly competitive markets characterized by continual new product introductions, rapid development in technology and subjective and changing consumer preferences (particularly in the Electronics, Game and Pictures segments, and the music business); (iv) Sony's ability and timing to recoup large-scale investments required for technology development and increasing production capacity; (v) Sony's ability to implement successfully business reorganization activities in its Electronics segment; (vi) Sony's ability to implement successfully its network strategy for its Electronics, Game and Pictures segments, and All Other, including the music business, and to develop and implement successful sales and distribution strategies in its Pictures segment and the music business in light of the Internet and other technological developments; (vii) Sony's continued ability to devote sufficient resources to research and development and, with respect to capital expenditures, to correctly prioritize investments (particularly in the Electronics segment); (viii) Sony's ability to maintain product quality (particularly in the Electronics and Game segments); (ix) the success of Sony's joint ventures and alliances; (x) the outcome of pending legal and/or regulatory proceedings; (xi) shifts in customer demand for financial services such as life insurance and Sony's ability to conduct successful asset liability management in the Financial Services segment; and (xii) the impact of unfavorable conditions or developments (including market fluctuations or volatility) in the Japanese equity markets on the revenue and operating income of the Financial Services segment. Risks and uncertainties also include the impact of any future events with material adverse impacts.
